## 公司简介

青岛鑫光正钢结构股份有限公司（简称“鑫光正”）位于山东省平度经济开发区，是一家集研发、设计、生产、安装施工和服务为一体的高科技、多元化、外向型的大型民营企业，是国内钢结构建筑领域中少数拥有钢结构直接配套设施生产施工完整资质的企业之一；经过20余年的发展，现已成为青岛首家钢结构上市公司（股票代码：834422），并获得山东省著名商标荣誉，被列入山东省建筑产业现代化生产基地，获中国钢结构协会团体会员单位、青岛市高新技术企业单位、中国建筑金属协会会员、中国国际商会青岛会理事单位等。

鑫光正凭借强大的技术能力和丰富的工程经验获得了钢结构工程专业承包壹级资质、建筑工程总承包叁级资质、市政公用环保工程专业承包贰级资质、建筑装饰装修工程专业承包贰级资质、建筑幕墙工程专业承包壹级资质等，多次荣获山东省守合同重信用企业、青岛建筑专业承包十佳企业、青岛市工商系统诚信纳税先进会员企业、青岛诚信示范用人单位、青岛市民营企业质量管理先进单位、青岛市创新型中小企业等荣誉，鑫光正能够承接各种类型钢结构及土建工程，包含厂房、仓库、展厅、飞机库、超市、办公楼、公寓楼、集装箱房、板房、连廊、车库、桥梁、温室大棚、鸡舍、铁艺项目等，并提供全套文明规范服务。

鑫光正已通过ISO9001质量管理体系认证、欧盟EN1090U认证、SGS认证、BV认证、CE认证等。

通过不断研发，鑫光正形成了较强的技术创新能力，并与青岛理工大学及多所研究院形成战略合作关系，成立青岛技术研发中心。目前公司拥有“桁架梁配式工”、“新型轻质墙体维护板”、“新型智能化建筑模块”、“新型建筑组合模块”、“液压式集装箱房”、“新型组合式建筑模块”、“组合式集装箱房”、“电动侧开集装箱房”、“隔板式集装箱房”、“侧开式集装箱房”、“层板式多联多隔集装箱房”、“新型轻质墙体维护板”等十余项实用新型专利。

鑫光正在国内外设置多个营销机构，在总部的指导和管控下开展业务，目前拥有10余家全资或控股子公司，包括鑫光正华洋公司、鑫光正腾飞公司、鑫光正百斯特公司、鑫光正环球公司、鑫光正精工公司、鑫光正贝尔轻钢公司、鑫光正西诺公司、鑫光正卓达公司、贵纳玛集成化房屋公司、光正工贸公司、华奥国际贸易公司等；并先后参与了中石化、海尔、海信、青岛啤酒、青岛世博园、青岛飞机场、胶州中心、苗家湾、两洋城等工程建设，并与外商建立良好的合作关系，现已出口加拿大、澳大利亚、德国、巴西、美国、美国、新加坡、泰国、乌拉圭、委内瑞拉、日本等全球80多个国家和地区，产品和服务受到广大用户的一致好评。

公司注重专业和技术人员的培养，现有各类高级技术人才百余人，其中包含一级建造师、二级建造师、国际焊接工程师、无损检测工程师、欧标认证焊工、特殊工作人员、中高级技工等；公司拥有完善纪律严明、爱岗敬业的专业施工安装队伍，并有中国商务部颁发的中国境外承包工程经营资格证书，可承包中国境外钢结构工程的施工，并具备境外工程所需材料和设备的出口权对外派遣劳务人员的资质。

公司秉承“以社会为己任、以企业为平台、以团队为核心、完善自我、共创辉煌”的企业宗旨，“造福社会、成就员工、让客户更幸福、让企业更持久”的企业使命，以健全的现代化管理制度，全力推动公司及社会的全面快速发展。

## COMPANY PROFILE

Qingdao Xingguangzheng Steel Structure Co., Ltd is located at Economic Development Zone in Pingdu, Qingdao, Shandong Province. It is a large integrated high-tech, multiplied and outgoing private enterprise, which contains all steps of creating, designing, producing, installing and servicing. It is one of the few enterprises which has the complete qualification of supplying the all-in-one service by steel structure construction and related products progress in field of steel structure in China. Having developed for over 20 years, it has now become the first Listed Company in field of Steel Structure in Qingdao (Stock Code 834422), and has achieved the honor of famous mark of Shandong Province, at the same time it has been listed into The Modern Production Base of Construction Industry in Shandong Province.

Our Company is the group member unit of China Steel Structure Association, High and New Tech Enterprise of Qingdao, the member of China Construction Metal Structure Association, Committee unit of the Qingdao Chamber of Commerce (which belongs to China Chamber of International Commerce) and has also other honorary titles. Due to its powerful technical capacity and rich engineering experience, Xingguangzheng has achieved the following Qualifications: Professional Contractors for Steel Structure Project (Level 1), Head Contractors for Architectural Project (Level 3), Professional Contractors for Anti-Water, Anti-Rust and Heat Preservation Project (Level 2), Professional Contractor for Architectural Setting and Decoration (Level 2), Professional Contractor for Architectural Curtain Wall Project (Level 2) and other related Qualifications. We've obtained the honor title of The Company That Keeping Their Words and The Rules of Contracts of Shandong Province many times, one of the 10 Prime Enterprises by Professional Contractors for Architecture in Qingdao, The Prior Member Enterprise of Tax Paying with Sincerity by Industrial/Commercial System in Qingdao, Sample Employer of Honest in Qingdao, The Prior Unit by Quality Managing among The Private Enterprises in Qingdao, Creative Enterprise in Qingdao. We are capable in taking over all types of steel structure projects/building projects, including workshop, stonehouse, exhibition hall, hangar, shop, office, apartment block, sample room, container house, telephone booth, garage, bridge, greenhouse and hennery, and we offer all-in-one service by key handing over and taking over.

Till now, Xingguangzheng has passed Certifications like ISO9001 and CE Certification. As the result of keeping on researching and developing, Xingguangzheng has gained its better capacity by technological renewing. We have cooperated with Qingdao University of Technology and many other Research Institutes as strategic partners, having established the R&D Center of Qingdao. Our company has now over 10 Practical New-Type Technical Patents, such as Tooling of Girder Assembly, Architecture Mode of New-Type Intelligentizing, Combined Mode of New-Type Architecture, Container House of Hydraulic Type, Architecture Mode of New-Type Combining, Container House of Combining, Container House of Electrical Side-Opening, Container House of Plug-In Type, Container House of Side-Opening, Container House of Combined Multi-Storey, Wall Preserving Board of New-Type Lightweight. Xingguangzheng has over 10 branch companies inland and overseas, which finds new markets under the guidance and management of the Head Office, including Qingdaohuayang factory and other subsidiaries that are not listed here. We've taken part in the construction projects like Sinopec, Haier, Hisense, Taigao Beer, Qingdao Expo Park, Qingdao New Air Port, Qingdao Olympic Sailing Center, Qingdao Letting Heavy Industry Project and Marine Nuclear Project. We keep in good connection with the overseas merchants, and have exported our products to over 80 countries, such as Canada, Australia, Germany, Brazil, England, the USA, Singapore, Thailand, Uruguay, Venezuela and Japan. Our Services and Product Quality are praised by most of our clients. Our Enterprise takes care of the product professional degree as well as the development of our technical clerks, has now over hundred high degree technical clerks, which contains Primary Registered Construction Engineer, Engineer of Construction Division, International Welding Engineer, Damage Test Engineer, EU Tested Welder, clerks that have special type of work, Intermediate- and Superior Artisans. We have a highly disciplined and professional construction team which each of the members loves their work, and have the Chinese Managing Qualification of external contractor for construction by Chinese Ministry of Commerce and can take over the steel structure projects overseas. We also have the Export Right of raw materials and equipments by overseas projects as well as the Qualification of sending clerks overseas. We have the company tenets of "Perfecting ourselves and creating wealth by taking social development as its responsibility, the enterprise, a platform, and its team, the core of development". We also have the company missions of "benefiting society, making staff successful, and giving clients happiness, thus being an enterprise of lasting vitality". With our wholesome modern managing principles, our company will develop comprehensively and so fast as it can, which will be the same with our society.

展望未来 激情满怀  
Looking to the future full of passion

[经营理念] 以客户满意为中心  
[Business Philosophy] Client oriented.

[工作作风] 认真、快、坚守承诺  
[Working Style] Conscientious, Efficient, Credible.

[行动标准] 保证完成任务，绝不找借口  
[Action Rules] Ensure to complete work, No excuse.

[质量文化] 产品即人品，质量即生命  
[Quality Culture] Moral personality decides product quality, quality is life.

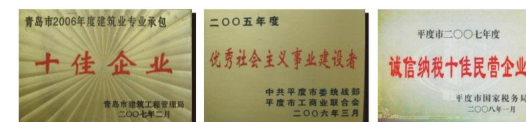

光正人永远怀有伟大梦想：在企业渗透的领域中占主导地位，成为世界现代化管理的标杆企业，成为世界第一的钢结构公司；完成造福社会、成就员工、让客户更幸福、让企业更持久的使命。提升素养、完善管理、兴企报国、使命必达！

The staff in Xinguangzheng always have great dreams: dominant in the field of enterprise penetration, to become the world's modern management of enterprises, become the world's steel structure company; Complete the benefit of society, employees, let the customer more lasting happiness, let the enterprise mission. Improve quality, improve the management and service to our country enterprise, the mission will reach!

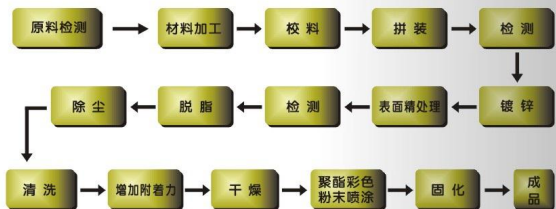

一直以来，鑫光正集团本着“在企业渗透的领域中占主导地位；成为世界现代化管理的标杆企业；成为世界第一的钢结构公司”的企业愿景，不断践行着“造福社会、成就员工、让客户更幸福、让企业更持久”的使命。

Has long been XinGuangzheng group is in line with "in the field of enterprise penetration of dominant; to become the world's modern management of enterprises; to become the world's first steel structure company" of the enterprise vision, constantly practicing the "benefit of society, employees, let the customer more happiness, let enterprise more durable" mission.

## 「自主创新」 实现传统工艺与现代技术的完美结合

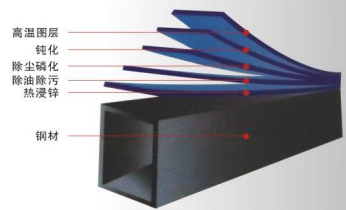

### 推荐色系 Recommend Colors

### 产品涂层剖析

- 产品特点:
- ◇ 具有极佳的耐候性
  - ◇ 耐腐蚀
  - ◇ 漆膜坚韧, 附着力强

## 「锌钢栅栏」系列

### ZINC STEEL FENCE SERIES

独特的组装设计结构无需电焊, 简约而不简单, 既保留了中国艺术的魅力又具有时尚风格。  
Unique assembly design structure without welding, simple and not simple, not only retains the charm of Chinese art and fashion style.

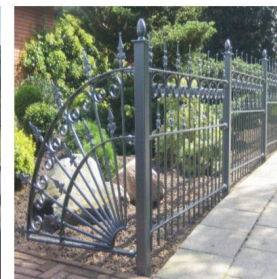

#### ■ 锌钢六大特点 Six characteristics of zinc steel:

1. 防锈、防腐、免维护。  
Rust proof, anti-corrosion, maintenance free.
2. 防拆: 锌钢产品没有一个焊点, 既安全又环保, 让您的建筑更“绿色”。  
Anti Demolition: zinc steel products do not have a solder joint, both safe and environmentally friendly, so that your building more green.
3. 色彩丰富: 可按您的要求, 提供色板多色可选。  
Color: according to your request, provide the color color optional.
4. 自洁净、无污染: 可通过雨水冲刷长期保持表面洁净。  
Self cleaning, no pollution: can be washed through the rain for a long time to keep the surface clean.
5. 手感细腻, 倍感温馨。  
Delicate touch, feel warm.
6. 耐候性强。  
Strong weather resistance.

◆高雅气派、  
艺术感强、色彩艳丽通风透景、  
更体现建筑典雅华贵的气息  
既凝聚了中国艺术之魅力  
又具有时尚的魅力风格。

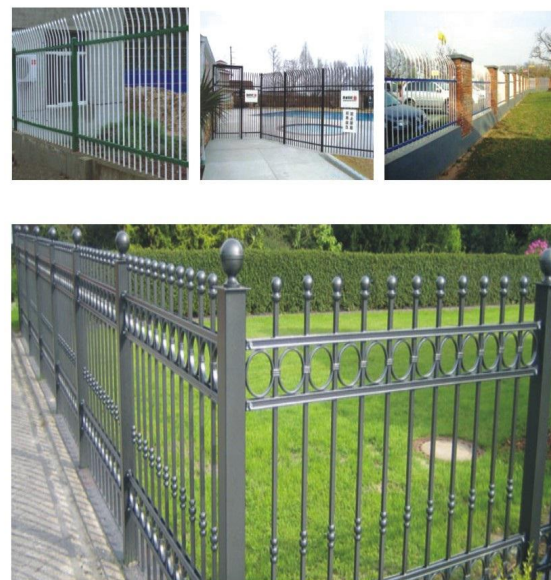

◆ 锌钢护栏产品特性说明：

- 1、组装式设计，安装快捷简单。
- 2、四层防腐处理，十年以上的使用寿命，有效解决长期困扰护栏产品的表面锈蚀、粉化、龟裂等问题。
- 3、良好的装饰性，丰富的色彩，满足不同客户对护栏产品的个性化需求。
- 4、环保、不污染环境。解决了普通产品污染建筑物的问题。
- 5、良好的柔韧性，优质钢材的钢性和柔性使护栏产品具有较好的抗冲击性能。
- 6、静电喷涂的表面，使护栏产品具有良好的自洁性能，雨水冲刷和水枪喷洗即可光洁如新。
- 7、不锈钢材质的安全螺栓、防偷盗的设计，免除了您的后顾之忧。
- 8、下埋式的安装方式及地脚板安装，既节省了您的基础建设费用，也节省了地资源。
- 9、良好的耐候性、耐盐雾性及耐湿热性能，适合不同地域的使用。
